Method of packaging: 1000 pcs per bag
Working temperature: -25°C to 85°C
Environment specification: 80% AC, 608
Insulation resistance: ≥1000 MΩ
Voltage rating: 250V
Current rating: 2 A
Contact resistance: 10 mΩ

3. Platform
Connector: Press
Insulator: UL94V-0

2. Main body part material

1. The dimensions with * are key control size

Performance characteristics:
